

Parents and Carers

Welcome Pupils!

As a pupil at Tulip Academy, you will have access to a broad and enriching careers programme, offering many opportunities for you to become more familiar with what is available for you once you'd finished school.

Opportunities include:

- Internal and External Work Experience
- Annual Careers Days in school, you will be able to explore and investigate a wide variety of careers and work-based opportunities throughout your time on roll with us
- Further Education; Boston College, Stamford College, Grantham College AND Young People's Learning Provision are the four further education settings we work most closely with
- Adult Social Care; The Chappell Centre in Spalding, SENSE in West Pinchbeck and County Care in Holbeach are the further education settings we work most closely with
- Supported Living (18+ years); This is co-ordinated by Adult Social Care, although staff at Springview Campus support heavily with the transition process

If you have any questions or queries, please speak to your class teacher. They will pass your questions and queries onto me.

Many Thanks,

Claire Moore, Careers Lead
