<p>Working in Partnership with Parents/Carers</p>	<p>We encourage an active partnership through an on-going dialogue with parents/carers.</p> <p>Parents and carers are encouraged to work alongside staff and be involved in the education of their child. They are encouraged to attend different events such as Open days as well as their child's Annual Review EHCP meeting, to discuss progress and individual targets. We take into account the parents/carers concerns and we ensure that everyone has an understanding of the agreed outcomes.</p> <p>The home-school agreement is central to this. Pupils in the Early Years, pre-formal and semi-formal pathways at our Springview Campus, use the Tapestry systems which allow images and reports to be shared between home and school in a secure and private manner.</p> <p>All pupils have a home-school book/planner for sharing information.</p>
<p>Pupil participation</p>	<p>We encourage our pupils to take responsibility and to make decisions. This is part of the culture of our school and relates particularly to the election of the school council, and their involvement in the school decision-making.</p> <p>Our pupils are involved at an appropriate level in setting their personal targets and are encouraged to make judgements about their own performance in lessons. We recognize and celebrate success in any aspect of school life.</p>
