

Tulip Academy
Spalding

July Newsletter

Welcome to our end of term newsletter. This edition is full of information which will keep you up to date with events and experiences within school.

Reminders:

Key information related to our school can be found at:

www.tulip-cit.co.uk

Branded uniform can be ordered throughout the academic year from Nationwide School Uniforms:

<https://www.nationwideschooluniforms.co.uk/school-uniform/primary-school/tulip-academy-spalding.html>

Please remember alternative uniform items can be purchased from local supermarkets and/or clothing stores.

Further information relating to the schools uniform expectations can be found at:

<https://tulip-cit.co.uk/uniform/>

What a great first year we have had as Tulip Academy Spalding! Thank you to all staff, pupils, parents, carers and stakeholders for making our first year so memorable.

We wish all pupils, staff members, parents, carers and friends of Tulip Academy Spalding a relaxing and enjoyable Summer break. We will return to school on **Monday 4th September.**

Matthew Bloodworth-Flatt

Claire Moore

Will Scott

Time to say goodbye!

At the end of this academic year, we have a small number of staff leaving us for pastures new!

Elaine Deathridge – Teaching Assistant

Milli Brockwell – Apprentice Teaching Assistant

Erin Huseyin – Teaching Assistant

Penny Woods – Apprentice Teaching Assistant

Jonnie Basden – Instructor

Sue Gray – Teaching Assistant

We wish you all the best in your new beginnings! Our school won't be the same without you!

Inclusion Team

At Tulip Academy Spalding, we are fully committed to inclusion and continue to develop innovative and effective systems of support that are underpinned by a strong inclusive ethos. This ethos respects and values individual difference; capitalises and builds on strengths; celebrates success and achievement; recognises, understands and responds supportively to individual needs and limitations and continually reviews and revises practice in order to ensure the highest possible standard of provision.

Our Inclusion Team brings together a wealth of experience and specialist training to support the needs of children at Tulip Academy Spalding. Team members work together with pupils, parents, carers and external professionals to overcome barriers to learning thereby maximising pupils' opportunities for success.

Events

Official Opening – Teaching Block Waterside Campus

New-and-improved facilities at Tulip Academy’s Waterside Campus in Spalding have been officially opened.

The £7.8m project saw the creation of a new teaching block as well as some refurbishment of the existing building, enabling the school to meet all special educational needs.

The work included the creation of improved teaching facilities, a dedicated hygiene suite, and group and calm room spaces. Along with a renovated medical space and an improved staffroom, new IT, life skills and social recreation spaces were created and enhanced parking was added.

CLlr Mrs Patricia Bradwell OBE, executive member for children's services, officially opened the building and said: "The council wants to ensure that all children can access high-quality education, as near to their family and local community as possible. To help achieve that, we're investing £100m in improving our special schools.

"Our ambitious programme will mean more pupils with SEND can attend a local school rather than having to travel large distances for their education, which will be of great benefit to both the children and their families.

“I’m confident that these fantastic new facilities at Tulip Academy will make a real difference to the pupils there, both now and in the future.”

Peter Bell, CEO of the Community Inclusive Trust, who run the school, added: “I would like to thank the county council for funding this project and committing a huge amount of time and resource into the delivery of such an amazing building. This new facility will have a significant and extremely positive impact on our pupils here.”

Matthew Bloodworth-Flatt, Headteacher at Tulip Academy Spalding, said: “We had a wonderful time celebrating the official opening of the new teaching block here at our Waterside Campus. The provision within this new building includes spacious classroom environments, additional learning spaces, life skills provision as well as sensory spaces. This new facility supports us to deliver the best possible education to young people in and around Spalding. Our gratitude goes to everyone involved in the project.”

Events

Year 11 Leavers Prom

On Thursday 29th June Year 11 pupils (at our Waterside Campus) celebrated the end of their time with us with the annual leavers prom. Pupils came dressed to impress and partied the night away! It was a lovely evening enjoyed by all pupils!

A huge thank you to the catering team for the delicious buffet, including this wonderful cake!

Tulip Academy Spalding Awarded SEND School of the Year at the 2023 Lincolnshire Excellence in Education Award.

The Lincolnshire Education Excellence Awards recognise and honour the exceptional educators, schools, and support staff who go above and beyond to enrich the lives of students and foster a love for learning.

The following was posted in Lincolnite (part organisers of the event): *The award reflects Tulip Academy's commitment to providing meaningful support to students with a range of special educational needs. The school, a recent amalgamation of the former Priory*

School and the Garth School, has made significant strides in fostering a positive relationship with the local community.

Under the leadership of Matthew Flatt, the school maintains effective relationships with parents, professionals, and the local authority, reinforcing a community-oriented approach. Their mission to 'Make Every Moment Matter' is reflected in their aspirational and purposeful curriculum, adapted to challenge all learners and prepare them for adult life.

The school's rich offering includes a range of additional curriculum activities and therapies designed to support students' personal growth, encompassing everything from Lego Therapy and Equine Therapy to Work Experience Links and Sports Programmes.

Feedback from pupils, parents, and carers testifies to the impact of Tulip Academy's approach. The school's inclusive environment and effective communication systems ensure parents feel involved in their child's education, and students feel secure, supported, and empowered to achieve their best.

The school's recent changes, including a number of building developments and the transition from two separate institutions into a unified academy, highlight the strength and adaptability of its community. Staying true to its values through the change, Tulip Academy has further proven its commitment to excellence in special educational needs education.

This award recognises Tulip Academy Spalding's outstanding work, marking it as a leading SEND institution in the county.

Fundraising

Thank to pupils, parents, carers and friends of Tulip Academy Spalding who attend the school's annual summer fayre. We raised an incredible £1000. Claire Moore said that should this milestone be met, she would allow a large tub of freezing water to be poured over her. Head over to F.O.T.A's Facebook page to watch the video.

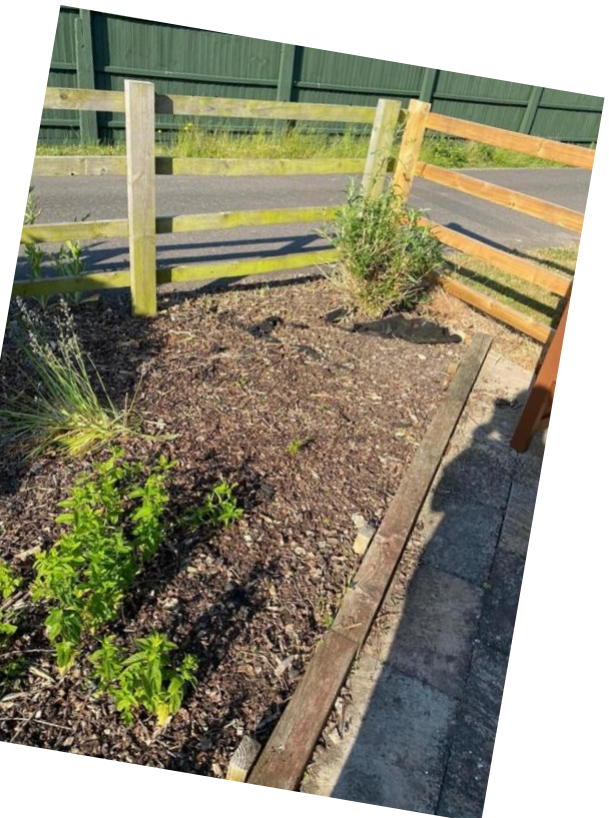

A huge thank you also to Claire Moore's mother who continues to work in our school sensory garden improving these facilities for pupils.

Before

Future Events

Parent Carer Coffee Morning

As of September 2023, Tulip Academy Spalding will begin holding its annual Parent Carer Coffee Mornings again. Coffee mornings are open to parents and carers at both campuses. They will take place at Waterside Campus and will be led by Amanda Barber – Inclusion Mentor. Where possible, guest speakers are in attendance to support and advice families on the focus topic.

Friday 8th September – 11:00am Theme: Welcome meeting

Friday 6th October – 11:00am Theme: TBC

Friday 10th November – 11:00am Theme: Supporting your child with reading / phonics.

Friday 1st December – 11:00am Theme: TBC

Friday 5th January – 11:00am Theme: Supporting your child with numeracy.

Friday 2nd February – 11:00am Theme: TBC

Friday 1st March – 11:00am Theme: TBC

Friday 3rd May – 11:00am Theme: TBC

Friday 7th June – 11:00am Theme: Supporting your child with transition.

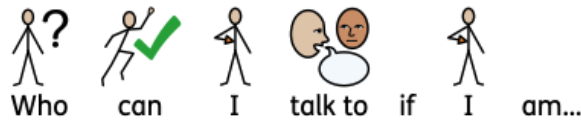

Reminders for each coffee morning will be distributed nearer to the date of the event.

Staying Safe!

If your child is worried, there are many people within school, who they can speak to.

Outside of school you can still let school staff know you are worried by clicking on our '[Feeling Anxious or Worried](#)' online form. This can be found on our website within the Pupil Zone.

Spotlight on social media – What is Rumble?

Rumble is a video sharing/streaming platform that your pupils may be accessing – which has grown in popularity over the last 5 years. It is considered at the moment to be the next successor to YouTube. This is in part due to the fact that it has far less stringent censorship filters than YouTube does.

It promotes 'freedom of speech' and resist censorship and 'cancel culture'. As a result, young users of the app (even ones who are over the recommended age limit) may encounter hazards including political bias, potentially harmful misinformation and inappropriate content if they stumble across Rumble.

If you feel you can't talk to someone in school, you can email the safeguarding team at CIT.

Email at: safe@cit.co.uk

There is further information your child can read to help keep them safe on our school website.

Apples Class

Term 6
Summer!

This term Apples class have been exploring the topic Summer!
All of Apples class have enjoyed getting messy and learning in the sunshine for the final term of the academic year. We have enjoyed lots of experiences relating to summer and have enjoyed taking part in events—especially Sports day and Careers Day!

After Welcoming new Apples into Tulip Academy in September it has been so lovely to recognise the bonds and the progress they have made over the children's first year in school—and What a brilliant year it has been!

Have a wonderful Summer holidays!
We cannot wait to see you in
September.

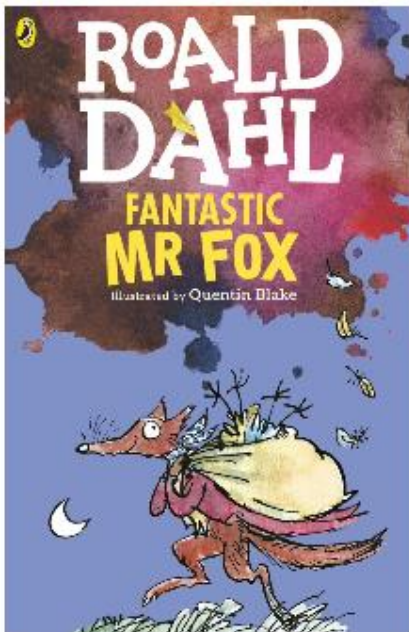

Birch Class

Its been an amazing year for Birch class and its' certainly flown by! All of our pupils have come such a long way since starting with us in September and its been great watching friendships form and memories be made!

We had an exciting trip to Wicksteed park! The class had a great day going on lots of rides, spending the day outdoors, and eating some refreshing ice cream.

Birch class have been reading Fantastic Mr Fox. We have read lots of the book and they have learnt what a blurb is and even written their own blurbs for the book, which we are very proud of!

Whether its our year 7s going into year 8, or our year 8s moving up to secondary middle, we wish you the best of luck next year! Please stay safe over the summer (and enjoy it!)

Thank you all for a fantastic year

From: Mr Mason, Miss Brackenbury, and Mr Palmer

Tulip academy have been learning about minibeasts. Many pupils overcame fears for creepy crawlies and even held some! We learnt a lot of life cycles of minibeasts, what they look like and where they live! We even created a bug hotel and planted wildflowers for them to live in! Pupils have been enjoying the summer sun and observing seasonal changes!

Forest School News!

Forest School News!

Pupils have been working extremely hard on their projects this term! Pupils have used tools safely and purposefully to create and restore bug houses, tables, sun dials and crafts.

Mangos Class News

Term 6

Just like that, we're at the end of another fantastic year! We have enjoyed our social events this term; a class trip to Lincolnshire Wildlife Park where pupils engaged with the different Animals — a roaaaarsome day had by all!

Tulip Academy celebrated Careers day where pupils encountered careers such as: Aquarist specialists, Gardener, Deli Worker and Animal Care.

Mangos class have thoroughly enjoyed their community visits; a visit to the ice-cream shop was very much enjoyed by all! Thank you to the wonderful parents and carers for your continuous support this year—it's very much appreciated and we can't wait for next year already!

Have an enjoyable, safe and happy summer! Mangos class team

Maple Newsletter

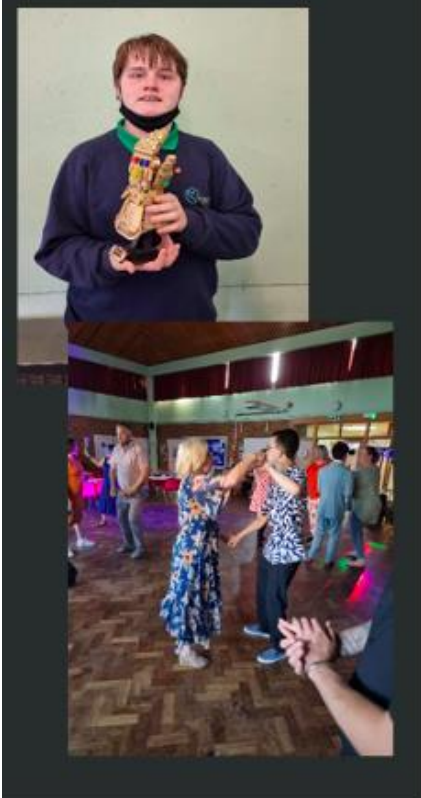

Summer Term

This term Maple class have been deeply engaged in their recent studies. In English, pupils have been learning how to effectively answer exam style questions. Maple class have especially impressed with their use of PEE structuring when answering questions in full paragraphs!

Future Fest – Boston

On Wednesday 5th July 2023, pupils from Maple class took part in a Future Fest event hosted by Boston College. The day was filled with excitement as pupils had the opportunity to ask questions regarding jobs of interest for the future. Pupils even had the chance to enter competitions and receive gifts from the companies. Maple even had a WINNER!

PROM!

Pupils in Year 10 had the opportunity to say goodbye to some close friendships at the 2023 Tulip Academy Prom. The evening was filled with emotion as pupils danced to music hosted by Mr Mason. Maple staff were very proud of the way Maple conducted themselves on the evening.

Sycamore

GOODBYE

Summer term

This term has been a very busy one for Sycamore class, with it being their final term at Tulip academy! Although the thought of only having 4 weeks left at school was exciting, the realisation that they would actually miss school slowly crept up on the pupils as we came closer to their final day.

The first activity of the term was the year 11 hike. This had been planned over the course of the year and pupils had been preparing with Mrs Derrick in their outdoor adventure lessons. Pupils practised skills such as putting up tents and map reading. The hike and camp out were a great success, Pupils were dropped off at different locations from pinchbeck to Gosberton and had the task of following the planned routes back to pecks drove campsite. Once everyone had arrived pupils took part in different activities and even cooked their own dinner.

Year 11 pupils spent their final week taking part in different planned activities. On Monday we went to Hollywood bowl and ferry meadows for lunch, Tuesday was a day at the beach in Hunstanton, having fish and chips for lunch. Wednesday was the fun farm high ropes and laser quest. And Thursday was final prom preparations and a sports afternoon. It is safe to say we were all very tired at the end of the week! However, it was all worth it as we had a great time.

We finished off a great week with our year 11 prom. It was filled with great and glamorous outfits and turned out to be an evening that we shall all remember.

We then came to our final day of school...EVER! It was at this point that pupil's realised that they are going to miss school. The class spent the day getting their shirts signed by staff and students and said some final goodbyes to friends within other year groups. Pupils then attended their leavers assembly where they were each presented with achievements and certificates. Although it was emotional for some, it was a perfect send off for our year 11 pupils.

Summer Term with The Oak Class

The Oak Class students particularly enjoyed carrying out practical measurement work. The photographs show the students measuring the length of the new building corridor.

During a Stem workshop the Oak Class had great fun taking part in a problem-solving activity which involved designing and constructing a vehicle that could transport a ball the furthest distance.

During our Horticulture lessons this term we have enjoyed visiting different local gardens.

This term The Oak Class have been learning about the United Kingdom. We have studied maps to locate countries and their capital cities as well as learning about the physical geography and important landmarks located in the UK.

The Oak Class thoroughly enjoyed their recent visit to Boston College to take part in a careers event for young people across South and East Lincolnshire. This was an extremely positive and exciting experience which allowed us to meet employers and learn about a wide variety of career opportunities.

Pears Class Newsletter

Term 6 2023

As the long summer term draws to a close we are all ready to spend some quality time with our families and carers over the summer. That may mean a holiday away from home or some nice days out to the park for a picnic! However you spend your summer break have fun and we look forward to seeing you when you return in September!

Over the term we have enjoyed a vast array of activities. Our topics have been 'Buildings' and 'The Rainforest'. We have made our very own shoebox rainforests, which we hoped you enjoyed.

We all had wonderful experiences during our school careers day. We were, hairdressers, zoo keepers and horticulturalists amongst others. We really enjoyed experiencing the different jobs that people do.

During our buildings topic, we used modelling clay to recreate some of the worlds tallest buildings. It was great fun trying to get them to stand tall!

We would like to thank you all for your hard work over the school year.
Enjoy the summer!

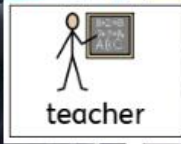

Pineapples Class News

What another amazing term it has been!

Pineapples Class really enjoyed their Careers Day earlier this term, where there were a variety of careers available to explore and learn about. The children all helped to take the role of 'teacher' during our morning circle time, supporting the adults to write and spell their names.

They also loved their second 'zoo keeper' experience with lizards, snakes and ducks making an appearance.

In PSHE we learnt all about sharing and taking turns and incorporated the King's Coronation into our learning. Pineapples took part in a castle building competition and participated in games like 'Pin the Crown on King Charles'.

Pineapples, thank you for a truly wonderful and memorable year!
Have a beautiful Summer!
Kelly, Jo, Nikki, Abi, Katie and Fiona

Willow

English- This term Willow have been looking at endangered animals, focusing n Sudan the last male white rhino. They have reserached various endangered species and completed fact sheets abot these. They finished the topic by compliting their own infograpic which have been porudly displayed on our WOW WALL. Willow have then began work on writing for digfferent purposes. This has included letters, leaflets, stories and diray entries. We used the film Cloudy with a Chance Of Meatballs 2 to help create their own Foodimals, setting and then wriete their own story including these with some funny and imaginative results.

In Math Willow class have perservered with some tricky topics such as angles, shape, measure and volume. The whole class have worked really hard to get a grasp of these topics through activities, games and worksheets.

Other subjects- Willow class have had the opportunity this term to take part in a **STEM Day**. This involved working in teams to create a carrier for a bowling ball. Each time had the same equipment and time to design and make their contraptions and completed at the end to see whose was able to carry it the furthest and for the longest.

In **PHSE** this term Willow class have looked at online friendships and relationships. They have talked about how much time they spend online and who they talk to. They have also been talking about stereotypes, prejudice and discrimination and what these mean, how they look and how they may feel. Willow class have been able to have some grown up conversations around these topics and have shared some good points of view.

Willow class also attend the annual Wicksted park trip. We had lovely weather and the students all enjoyed going on various rides and pushing themseves to try new things. We were lucky enough to sample some delicious ice cream and meet the meerkats. A good day was had by all.

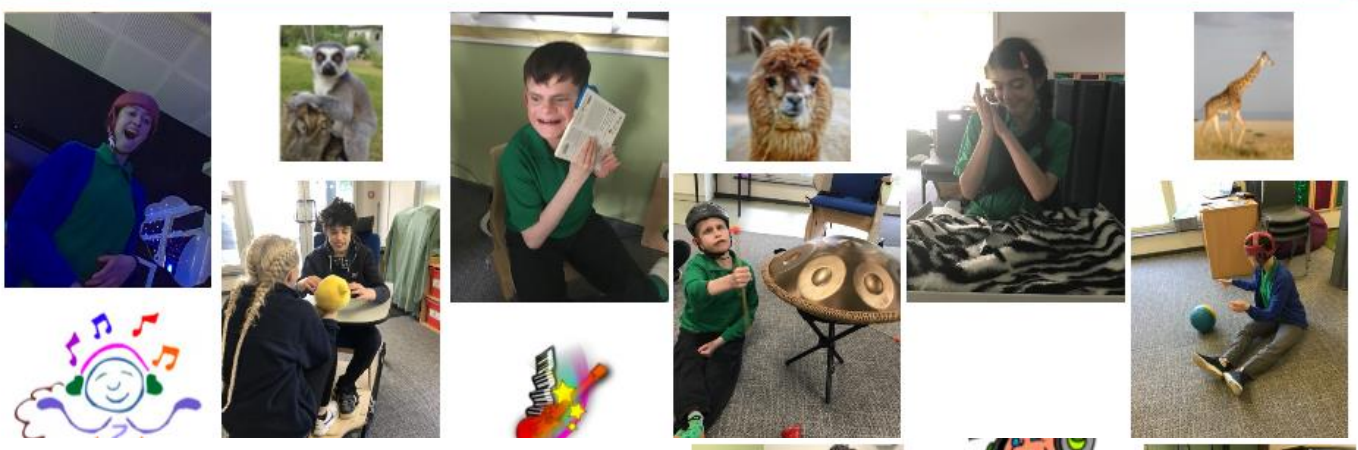

Grapes Class Newsletter

July 2023

This term the learning for Grapes Class has focused upon 'Movies and Musicals' and 'Animals'. We have explored different movies we enjoy watching, looking at the emotions from the movie Inside Out. In our topic sessions we enjoyed water play, exploring all things Under the Sea!

Our sensory sessions have varied from women in engineering to Formula One racing! We have enjoyed pretending to answer the telephone and smelling the tar of the roads!

We have had some fantastic experiences this term including tabletop cricket and making our own salad with Morrisons!

From all the staff in Grapes class, have a fantastic Summer Break and we will see you very soon!

Ash Class News

Our topic for this term has been focusing on natural disasters. We have looked at volcanos and tsunamis and explored these through some fantastic experiments. We created (and exploded!) our own volcanos and had great fun building a city and destroying it with a tidal wave of water

Ash Class have been attending horse riding this year and have grown in confidence weekly. From being slightly worried to start with to now jumping straight on the horse. They have participated in pony races and have been successful in using the reins to control the ponies.

In Cookery this term we have been looking at healthy meals we can prepare for ourselves. We have been using our fine motor skills to practice cutting and chopping. Ash class have created pitta breads, pasta salad and the favourite by far jacket potatoes. Of course, we have also had the odd treat and made cakes and created our own sugar paste models. It tasted great!

Strawberries class news

Strawberries class have been focusing their learning on amazing people where we have done a lot of research using our computing skills.

This term has been full of trying new foods of different cuisines and famous foods from different countries. Although not all was enjoyable for some pupils everyone gave everything a try, we are all proud of you for trying these new foods.

We have had such a fun last term completing hard work but most importantly making amazing memories!

Strawberries have enjoyed their time out in the community. Some pupils have accessed work experience, road safety lessons, college and shopping all broadening their life skills.

We say goodbye and good luck to Amber, Sam and Toby our leavers this year.

Strawberries staff hope you have a lovely summer holidays and a well-earned rest before continuing your journey in September wherever that shall be 😊

Lime Class News

In science we have been investigating electricity and had fun making our own circuits.

We had a Polish day where we tried to speak some of the language, made our own Polish food and had a picnic on the school field to celebrate one of our classmate's heritage.

For our end of term class trip we chose to go to Ferry Meadows and then Inflatation. Very tiring, but a great fun day!

Rowan Class

The topic in **Literacy** this term has been Non-fiction texts, we have been exploring features of this style of writing. Rowan class have worked together to produce their own book titled 'Growth and Change' for our bookshelf.

Well done
Everyone!

British Sign Language

Rowan Class have had the experience of using sign language this term, showing great interest and enthusiasm when learning the new skill of finger spelling and then having a simple conversation with peers, greeting each other with confidence.

What a great day out everyone had at Wicksteed Park. So many rides and so much fun!

Our **Maths** topic has been working on Measurements, choosing and using appropriate equipment to estimate and measure accurately. Lots of hands on opportunities to investigate.

Our visit to Lincolnshire Wildlife Park proved to be a successful day enjoyed by all. Learning new things about the many creatures resident there.

This school year has flown by and we are so proud of all of the pupils' hard work and achievements. Have a lovely summer break!
From Rowan Class team.

Mrs Thirsk – Elder Class

This term year 11 Elder class have been preparing to say goodbye to their class as they transition to their next placement. Many will be going to either Boston or Stamford college.

Before they left, we planned some fun activities which was great after so much hard work during examinations!

In June, we completed a hike and camp and all students participated and were able to complete the NOLA(national outdoor learning award). Students had been practising these skills throughout the year in outdoor adventure so it was fantastic to see them being so independent and confident.

After the excitement of camping, it was soon the activity week for Elder class. During this week we went Bowling and to Ferry Meadows for a picnic. We then had a lovely day out to Hunstanton and played laser tag and high ropes. Towards the end of the week we had a BBQ and then said a final goodbye at the leavers assembly which was very emotional for all students and staff.

The leavers party on the last week for Elder class was a highlight. Seeing the students dressed up and ready to party was amazing. They all looked so grown up and everybody had a fantastic evening. There was plenty of dancing and some great tunes played by Mr Mason. We are all very proud of how well Elder have done this year and wish them all the very best for the future. We look forward to hearing about how they are getting on!

Plums Class News

Summer Term

Plums class have been involved in lots of exciting and interesting learning activities throughout the past 13 weeks, with lots of wonderful visits out in to the community and some engaging visitors into school...

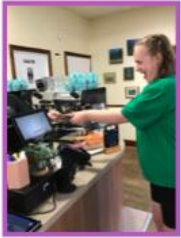

Careers Day 2023 was a success! Plums experienced Horticulture and Animal Care, to name a few!

M&M Productions visited and performed Alice in Wonderland for Sprinview, which was WONDER-full!

We've had an excellent time horse riding through the Summer term and even celebrated with a Gala!

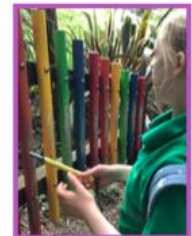

Plums visited Bookmark Café in Spalding. Everyone bought in money to choose, order and purchase their own drink and treat!

We had a visitor called Max who came in to school and taught us how to play Table top Cricket!

We spent the morning at Springfields and enjoyed a picnic and then explored the Sensory Garden.

We hope you have happy and healthy Summer holiday!

Elaine, Sue, Teddy, Megan & Nicola

Miss Jeff – Beech Class

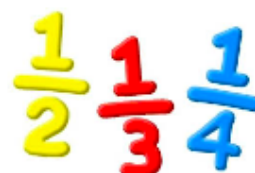

Beech Class have had a great final term of the academic year. They have been really busy taking part in lots of different activities. Pupils enjoyed the recent Fun Day at school and spent time on the inflatables. On Wednesday 5th July Secondary Middle pupils went to Future Fest at Boston College. This was a careers event for young people across South and East Lincolnshire and was an exciting opportunity that allowed our students to meet employers, education and training providers and to research about a wide variety of career opportunities, helping them to make those important decisions ready for life after leaving school.

Pupils also really enjoyed their recent end of year class trip to Spalding Bowl.

English – The topic this term for English has been ‘extreme sports’. Pupils have continued to develop their discussion skills based upon this topic and have produced some lovely PowerPoint presentations and information sheets. Thank you for sharing your research with the rest of the group. Pupils have also worked hard on practicing their phonics skills. It has been amazing to see their enthusiasm within lessons and the progress they have made.

Maths – This term pupils have been learning all about fractions and statistics, using prodigy to consolidate their understanding.

Computing - This term pupils have been developing their programming skills in Scratch, creating some fantastic scratch projects. They have demonstrated their skills when adding backdrops, sprites and block code. Well done, you have shown some great imagination and coding skills.

Forest School

Pupils have been finding minibeast in forest school this term. Pupils have worked together and found beetles, millipedes, spiders, snails and ladybirds.

Thank you, Beech Class, for a great year, well done!! Hope you all enjoy the Summer holiday, you have all worked so hard!!

Miss Jeff, Mrs Deathridge and Miss Chambers

Message from Mrs D:

As I leave Tulip Academy to each and everyone of you, it has been an absolute pleasure. Thank you!

Having the Lush workshop in school was a great success! Pupils involved thoroughly enjoyed the day and the opportunity to make their own bath bomb and body bar. The room smelt Lush for days after the event! Mrs Hayman and Mrs Walsh were proud of the questions put forward by the pupils and how they conducted themselves throughout! We are hoping to arrange another Lush workshop for other pupils to enjoy.

Cherry Class

Summer term is our favourite time of year! We love spending time outdoors, playing games, reading and learning! It can get really hot but we know the best way to cool down on a Friday is with a McFlurry!

We have explored lots of non fiction topics in English this term. We attempted to break some world records and built detailed debates surrounding topics of controversy—such as whether or not we should keep animals in zoos. In maths we began to move away from number work and instead started to explore shape, space and measure. Recently we have been looking at angles and trying to spot them all around the school.

In craft we got to make our very own bath bombs. We learnt all about different essential oils and their properties and what they can do to help us. Then we mixed up our own formula, added colouring and scent and finally moulded our bath bombs! We almost have Lush running for the hills... however we needed an emergency last minute rebrand when our bath bombs crumbled! We loved our bath salts just as much though!

With the end of the school year in sight, we of course also got the chance to go on lots of exciting

school trips. This term we went to Wicksteed Park and Tallington Lakes. These trips were adrenaline filled and helped us experience new things. From Dinosaur roller coasters to kayaks Cherry Class really have experienced it all! Miss Evans also won the award for loudest scream on the Pirate ship!

In art we have explored clay work and learnt how to use different tools to manipulate the clay. But we have also been working collaboratively to create a giant piece of art work showing all of our favourite memories for this year—there have been so many!

Boston College Taster Day

Greg, Reece and Harry are all heading for the Small Animal Care Course. Little did they know that small animals ranged from... not a rabbit but a tarantula to a giant tortoise to a meerkat! The college is home to 400 small animals!
Here is Greg getting up close to a giant

Hazel Class

Forest School with

Miss Lyndsay

A special meeting place under the

But also providing brilliant opportunities to work with and alongside nature.

MFL

International Day: Poland

We were lucky to be coached by a professional dancer. Here are Honey and Megan learning moves for a Polka folk dance.

Problem Solving Day

Pupils were set the task of constructing a vehicle. Those pupils who worked as a team were successful. A challenging but fun activity for all those taking part. Well done this team!
