

## Tulip Academy Weekly News

Hazel Class have been producing some fantastic work!

Last term we had a visit from Animals UK. Here we see two of our pupils with their favourite animals. The animals were a huge success!

Megan said that holding Charlotte the Tarantula was a lovely experience and she was proud to hold her.

Zak found the Meerkat to be very affectionate and liked her cuddles.

In English we have been looking at giving and following written instructions.

The pupils were given the task of giving a partner written instructions on how to make a jam sandwich. They then followed the instructions literally. The results were very interesting!!

We have Honey and Nathaniel showing different understanding of their instructions.

We want to say a massive thank you to Bakkavor in Spalding for raising  
£190 for our Friends of Tulip Academy!

A special thank you to the visitors who came and delivered our cheque,  
the pupils loved having you in our assembly.
