

Class News: Friday 13th September 2024.

Strawberries Class

Strawberries have had a great start to the academic year!

Our first day back at college was a great success! 😊

For some of us it was our first experience of college and we enjoyed eating our snacks in the canteen and making Cottage Pie and Raspberry Cake as part of our new topic, which is "The taste of Britain". We are all looking forward to an action-packed term in Strawberries class.

Lime Class

Pupils in Lime Class have settled into the new academic year – we know how tough transitions back to school can be.

To start off the year we have begun to read Holes by Louis Sacher. So far, we have only been introduced to the main character called Stanley who has gone to Camp Green Lake. We are looking forward to seeing where the story takes us and then watching the film at the end of term 😊 Miss Hebblewhite has been extremely impressed with pupil's efforts in Maths lessons. Well done and keep it up!

In Enterprise Lime class have started to make decisions together for their business ideas. We are hoping to sell products throughout the year to pupils to be able to make a profit.

In Science, we have started a Chemistry topic and have looked at a few physical and chemical reactions. See our pictures of skittles dissolving in

warm water! (Yes, we may have eaten some of the Science experiment ingredients at the end of the fantastic lesson!)

Ash Class

Our topic this term is 'Amazing Me'. We have been learning all about each our families and different family types. In Cookery and English we have been looking at following instructions to make chocolate cake bites 🍰📄, brushing our teeth 🦷, jam sandwich 🍞 and making our own pizza 🍕. In Forest School we created our own obstacle course and all the pupils helped to find different items in the forest to create this. The pupils all worked together to make an amazing obstacle course! In PSHE we have been looking at restaurants and we did a practical lesson recreating a restaurant and the pupils had a turn being a waiter/waitress and a customer. Well done Ash Class a great start to the year! 😊
