

Class News: Friday 22nd November 2024

Children in Need: On Friday 15th November pupil across both campuses took part in raising valuable fund for Children in Need. The school held a non-uniform day and pupils at our Springview Campus took part in a sponsored event. All classes took part, completing a total of 707 laps of the 39-meter circuit totalling a distance of just over 17miles covered. Pupils and staff danced, jogged, cycled, walked and skipped around having so much fun together! Lots of smiles and laughter! Collectively we raised £150.96.

Elder Class: In English, students have been working on answering questions related to a text learning to highlight key information. In maths, students are completing a topic on position and direction. This has including using a protractor and compass points and directions. This has linked to some work in outdoor adventure and students are becoming very confident with these skills. Students in Mrs Thirk's work placement group have enjoyed a trip to the fire station this week to learn about the different roles available there. They enjoyed talking to the crew and were even able to sit in the fire engine and go into the training zone.

Remember the saviours who fought for what was right.
Every soldier fought in the war for us.
Memories will never fade.
Everybody wears a poppy.
Memories and moments won't be forgotten.
Beautiful poppies in the battlefields.
Respect for fallen soldiers
Always remember the ones we lost.
Never forget.
Caring for those even more today who lose their loved ones.
Embrace the future the soldiers have created.

Grapes Class: This term Grapes Class are focusing upon the topic: Festivals and Celebrations. We have been learning about different situations where people come together to celebrate including Birthdays, Diwali, Remembrance Day, Hannukah, Pride, Weddings and Bonfire Night. The pupils got stuck into helping clean the home (classroom) in readiness for Diwali celebrations, before exploring and creating Rangoli patterns and having the chance to play Indian instruments. A lot of engagement has been observed when we have been undertaking our story: The Birthday Party. Within this, squealy ballons and party poppers have provided great opportunities for pupils to show their anticipation. As well as working together to break the pinata to reveal the chocolate treats inside! Our STaRS sessions have allowed us to explore the sensory elements linked to a story called Confetti by Dean Atta which celebrates many aspects of

life and love. The pupils enjoy the massage element to represent the fireworks and the leaves of Autumn Time falling upon them but best of all, the confetti cannons to represent the wedding celebration.

Pears Class: 'This term, pears class topic is celebrations! During humanities, we enjoyed getting dressed up as characters to go trick or treating around the school, discussing how we do this respectfully 🧟'

In our English and Communication sessions, we are exploring poetry and our focus has been Room on the Broom. The pupils have enjoyed lots of matching activities, beginning to discuss rhyming words 🧑🎨

We recently had an international day where we visited the country of France. We tasted lots of different foods, participating in French dancing and built our own Eiffel Tower! 🇫🇷

Pears class have had a great start to the term!'

Apples Class: This term Apples class have been exploring our topic of Dinosaurs! We have had so much fun investigating all aspects of dinosaurs and their lives throughout our sessions 🦖 We have made our own dinosaur masks, helped the dinosaur eggs get back to the nest and explored dinosaurs in their natural habitats! 🦖

Our story this term is Zog, learning all about perseverance and the success that we can achieve if we "just keep trying". Apples class have been enjoying exploring ways to help Zog achieve his

goals and to earn a special reward at the end – pupils have really taken on some perseverance of their very own 🍌 🍓
What a wonderful term so far.... And may the dinosaur hunt continue! 📖 🕒 🐉
