

Class News: Friday 10th January 2025

Hazel Class: Hazel have had a very busy term in the run up to Christmas.

In Maths we have been making equal groups and finding fun ways to demonstrate this (including using sweets)!

In English we have been listening to lots of songs and poems to see if we can identify rhyming words.

Hazel class worked together to create a lovely Remembrance Day poem.

Hazel headed down to Forest School and had lots of fun tying brightly coloured ribbons to one of the big trees. They worked together to reach the higher branches, and the result was AMAZING!

As we neared the end of term, Hazel enjoyed some Christmas activities including Bingo, making our own Christmas cards, our annual trip to the panto to see Snow White and of course a visit from Father Christmas!

Lime Class: Lime class have taken well to their new PE subject, all having a go at yoga and pushing themselves.

They have also started a new topic in science, the Human Body and began this by describing and researching cells. They managed to find some good close ups of onion plant cells using the microscopes.

Also, in English they have been discussing the purpose and audience of texts.

Well done Lime class a smashing start to the term.
