

**Mangos Class:** This term, Mangos class have been exploring all things magic as part of their term topic of 'Witches and Wizard's'! ✨

Our communication and interaction sessions took us on a broomstick ride with a witch - we thoroughly enjoyed our room on the broom! 🧹

In explore and discover sessions, we explored 'The Wizard of Oz.' We walked the yellow brick road 🟡 as part of our physiotherapy programmes, found the wicked witch of the west in green oobleck 🧙 and the tin man in metallic materials.

World Wildlife Day has been the Sensology focus for the term where we have encountered animals that live in the jungle, the desert and our gardens! 🐞

A wonderful term ☀️
