

**Class News: Friday 9<sup>th</sup> May 2025**

**Pears Class:** It's pears class news this week!

'Pears class topic this term is animals! We have absolutely loved it so far.

In English, our story has been 'How to wash a Woolly Mammoth' and we have been following and ordering instructions.

In art, we have been looking at the photographer, Shannon Wild and all of her wildlife pictures.

We have been very lucky and have had visits from lots of different animals, including;

Sheep 🐑

Chickens 🐔

Rabbits 🐰

Ponies 🐎

Tortoises 🐢

Snails 🐌

.... and owls! 🦉

Pears class were fantastic in holding and stroking Bo and Scotty! Thank you to Norfolk Owls ([Norfolkowls](#)) for the experience'.

**Strawberries Class:** This term Strawberries Class explored the country of Poland for International Day.

The students enjoyed learning interesting facts about Poland, watching a selection of video clips on the whiteboard, followed by a quiz. They learnt the Capital city is Warsaw and a popular, favourite dish is Dumplings, among other fascinating facts. We also learnt some Polish words, Hello - cześć", thank you- dziękuję, and bye- Do widzenia. Everyone's pronunciation was amazing.

At the end of the morning session, we prepared and cooked Zapiekanka, (Polish Street Food), which we had for lunch.

After lunch the students visited a selection of Eastern European shops, in Spalding, where they explored different Polish food and bought some flavoured drinks and crisps to try, on our return to school! They all enjoyed the taste of Poland! 😊

**Lime Class:** In PE Lime class have been learning to play golf.

They have all participated and tried really hard to aim and get the furthest distance.

Lime class have continued the topic of the Human Body in science ready for an exam at the end of term. They have looked at infection and infection defences in the body. Students practised doing the job of white blood cells trying

Lime class had some fantastic costumes for World Book Day

In DT the students have worked hard on completing their bird boxes with some fantastic results.

In English last term Lime class worked on story writing and created their own stories.

This term they have begun a poetry topic, and all had a go at performing a chosen poem with props and actions. There were some great and very funny performances.

Well Done Lime class!!!

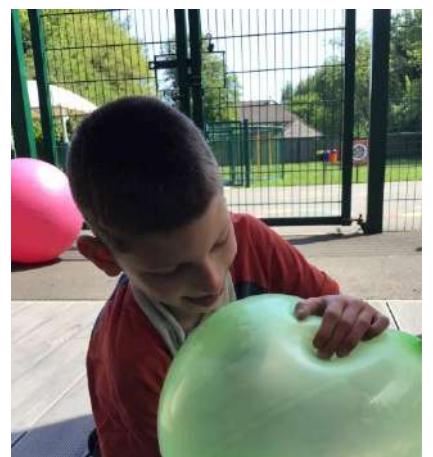

**Mango Class:** Mangos have started their term by encountering activities focussing on the topic 'Seasons and Weather.' 🌸 🌻 🌺 ❄️

We have explored the different signs of Spring whilst visiting the sensory garden, which also linked to our Sensology activities based on 'Earth Day.' The different smells, sounds and textures of the world around us was explored and a highlight of the sensory garden visits, was the different animals encountered.

Mangos also engaged with planting their own flowers, exploring each step of the process - the best part, using the watering can to pour the water over the plants and the staff!

During Communication and Interaction sessions, pupils have engaged with the story 'Seren's Seasons', experiencing the different weather that come with each season. A sensory massage story called 'New Shoots' 🌱 has also been explored and pupils' anticipation has started to grow!

A fantastic start to the term!
