

**Class News: Friday 4<sup>th</sup> July 2025**

**Beech Class:** The topic this term for Beech class in English has been 'Non-Fiction texts'. Pupils have been learning all about the features of non-fiction texts. They have been creating some great expanded sentences and have been keen to share them with each other.

In Maths this term pupils have been learning all about measuring. Pupils have been weighing items using grams and kilograms. They have been learning the difference between capacity and volume. They have been measuring using litres and millilitres and have also made their own lemonade. Their accuracy when measuring is really improving. Great effort, well done!!!

In Music pupils have been learning about composition and have been creating their own group compositions, which they have performed to one another. They have used a variety of different instruments, their voices and items from around school to create various sounds. Pupils have been learning about pitch, dynamics, different textures and layering.

**Pears Class:** This term, Pears class have enjoyed exploring all things water! 💧

Our story focus in English and Communication has been Tiddler 🐡! We have created sentences about the characters and collaged our favourites.

In STEM, we have transported water in different ways using sponges and different materials to move it from one place to another.

We have enjoyed lots of water play to try and keep cool, while thinking about which animals live in water and where our water comes from!

We have had great fun 💧 💧 🌧

**Birch Class:** Birch Class is serving up some scandalous updates that rival the best soap operas! Birch Class has been turning heads with some exciting happenings lately.

First up, they had a blast at Wicksteed Park thanks to the Spalding Rotary Club. Talk about a fabulous day out, and a huge shoutout to our Rotary Club heroes!

But hold on tight, because that's not all - Birch Class didn't just conquer the theme park, they also dominated the Tulip Academy Football tournament. Our rising football stars showed off their skills and scored big in their first match.

And as if that wasn't impressive enough, Birch Class is also killing it in the art department. These kids are like little Picassos, unleashing their creative genius in every subject but truly shining in art class.

Birch Class, you're the MVPs of the school - keep up the awesome work!

**Year 11 Leavers:** It has been a busy few weeks for year 11. The students enjoyed the hike and camping trip. For some, it was the first time away from home and they all did a fantastic job. Teams all worked together and the food that was cooked for tea was delicious! We also enjoyed s'mores by the campfire and just being out in the fresh air.

This was followed by activity week which included trips to Hollywood bowl, Ferry Meadows, Hunstanton, Surfleet park and Angle gaming lounge in Peterborough. We would like to thank UAH and Witham Hall Preparatory School who kindly allowed the use of their minibuses so that this could go ahead whilst ours was in the garage at no extra cost to the school. All the students were an absolute credit to the school and the staff in year 11 also had a wonderful time.

At the end of a busy week, we celebrated our time together at the leavers party and then bid farewell to our class of 2020 at the leavers assembly. A fantastic end to their journey at Tulip Academy.
