

Risk Assessment for Radicalisation and Extremism

RA Start Date:	November 2025
RA Review Date:	November 2026

Category	Risk <i>What is the risk here?</i>	Hazard <i>What are the hazards?</i>	Risk Management/Existing precautions <i>What has your institute put in place to ensure sufficient understanding and buy in from Leadership</i>
Leadership	The setting does not place sufficient priority to Prevent and risk assessment/action plans (or does not have one) and therefore actions to mitigate risks and meet the requirements of the Duty are not effective.	<p>Leaders (including governors and trustees) within the organisation do not understand the requirements of the Prevent Statutory Duty or the risks faced by the organisation. The Duty is not managed or enabled at a sufficiently senior level.</p> <p>Leaders do not have understanding and ultimate ownership of their internal safeguarding processes, nor ensuring that all staff have sufficient understanding and that staff implement the duty effectively. Leaders do not communicate and promote the importance of the duty. Leaders do not drive an effective safeguarding culture across the institution.</p> <p>Leaders do not provide a safe environment in which children can learn.</p>	<ul style="list-style-type: none"> • The school has clear and robust policies including a PREVENT risk assessment on the school website, staff notice board and shared with staff • PREVENT Training for all staff • Updated PREVENT awareness • Regular meetings with safeguarding team to discuss vulnerable pupils • Understanding of the CHANNEL process • DSL and senior leaders have a clear understanding of reporting and referral mechanisms • Staff sign to say they have read KCSIE and the school safeguarding policy • Promote a safeguarding culture through regular training, safeguarding meetings • Rigorous induction process including PREVENT awareness training • Termly Quality assurance from SAFE@CIT central team • DSL forums/briefing • Regular safeguarding updates in school • Monthly SAFE@CIT Newsletter • National college – PREVENT training • Leaders, staff and pupil reflect a positive respectful environment. Pupils are safe, they feel safe and understand how to share their concerns • Leaders, those responsible for governance and all staff exemplify British Values in their attitudes and their behaviours.

Category	Risk <i>What is the risk here?</i>	Hazard <i>What are the hazards?</i>	Risk Management/Existing Precautions <i>What has your institute put in place to ensure sufficient understanding and buy in from Leadership</i>
Working in Partnership	The setting is not fully appraised of national and local risks, does not work with partners to safeguard children vulnerable to radicalisation, and does not have access to good practice advice, guidance or supportive peer networks.	The organisation does not establish effective partnerships with organisations such as the Local Authority and Police Prevent Team.	<ul style="list-style-type: none"> • The school has a good working relationship with safeguarding partners in the area including the LSCP (Local Safeguarding Children's partnership, Police, LADO, Health, Lincolnshire DSL network, Trust DSL network. • Staff have annual face to face safeguarding training • The DSL and senior leaders have access to up-to-date risk information about extremism and terrorism (and other important local community risks that may affect pupils (or the school) • Access to Perspective lite, PREVENT Lincolnshire, Staff have access to school Safeguarding Notice Board, staff briefings, SAFE@CIT monthly newsletter. • The school's DSL (and any deputies) have access to effective PREVENT advice and are aware of local procedures for making a referral. This is reflected in the school's safeguarding policy. • PREVENT information is displayed on the staff notice board.

Community Inclusive Trust - **Risk Assessment for Radicalisation and Extremism. PREVENT**

Staff training	Staff do not recognise signs of abuse or vulnerabilities, and the risk of harm is not reported properly and promptly by staff.	<p>Frontline staff including governors, do not understand what radicalisation means and why people may be vulnerable to being drawn into terrorism</p> <p>Frontline staff including governors, do not know what measures are available to prevent people from being drawn into terrorism and do not know how to obtain support for people who may be exploited by radicalising influences. Staff do not access Prevent training or refresher training.</p> <p>Staff do not access Prevent training or refresher training.</p>	<ul style="list-style-type: none"> • Ensure all staff attend safeguarding training and are familiar with key school and safeguarding statutory policies • School's induction programme includes PREVENT training which highlight school specific requirements and procedures • PREVENT advice is on the staff notice board • Staff can access PREVENT training thorough National college • Ensure all staff attend Prevent training • Ensure governors attend Prevent training • Ensure SLT and DSL receive additional support from local partnerships and training on local processes for Prevent • Maintain records of all staff and governor training • Refresher training to take place regularly • Training is quality assured and evaluated for effectiveness on a regular basis

Category	Risk <i>What is the risk?</i>	Hazard <i>What are the hazards?</i>	Risk Management/Existing precautions <i>What has your institute put in place to ensure sufficient understanding and buy in from Leadership</i>
Information sharing	Staff do not share information with relevant partners in a timely manner.	<p>Staff do not feel confident sharing information with partners regarding radicalisation concerns</p> <p>Staff are not aware of the PREVENT referral process</p>	<p>The school has a culture of safeguarding that supports effective arrangements to:</p> <ul style="list-style-type: none"> • identify children who may need early help or who are at risk of neglect, abuse, grooming or exploitation • help children reduce their risk of harm by securing the support they need, or referring in a timely way to those who have the expertise to help <p>The provider has clear processes for raising radicalisation concerns and making a Prevent referral.</p>

Category	Risk <i>What is the risk?</i>	Hazard <i>What are the hazards?</i>	Risk Management/Existing precautions <i>What has your institute put in place to ensure sufficient understanding and buy in from Leadership</i>
Building children's resilience to radicalisation	<p>Children and young people are exposed to intolerant or hateful narratives and lack understanding of the risks posed by terrorist organisations and extremist ideologies that underpin them.</p>	<p>The setting does not provide a safe space in which children and young people can understand and discuss sensitive topics, including terrorism and the extremist ideas that are part of terrorist ideology, and learn how to challenge these ideas</p> <p>The setting does not teach a broad and balanced curriculum which promotes spiritual, moral, cultural mental and physical development of students and fundamental British values and community cohesion.</p>	<ul style="list-style-type: none"> • The school carries out safer recruitment checks on all staff • The school has codes of conduct for all staff (teaching and non-teaching staff) • Teaching is monitored by senior leaders through observations, book checks and is quality assured • The school provides opportunities within the curriculum to discuss controversial issues and for students to develop critical thinking and digital literacy skills • School ensures that discussions of controversial issues are carried out in a safe space. • The school effectively prepares pupils for life in modern Britain, developing their understanding of British Values and embedding these within a broad, balanced and robust PD curriculum and the expectations of behaviours of pupils and staff. Assemblies are proactive as well as reactive to the needs of the children. • Pupils engage with views, beliefs and opinions that are different from their own in considered ways. • As part of a whole school approach to building resilience to radicalisation, the school provides a safe environment for dialogue about challenging and controversial issues, supporting pupils to understand how they can influence and participate in decision-making. • The school delivers provision that helps pupils develop skills to critically assess information, supporting them to recognise risks and make safe choices online and offline.

Category	Risk <i>What is the risk?</i>	Hazard <i>What are the hazards?</i>	Risk Management/Existing precautions <i>What has your institute put in place to ensure sufficient understanding and buy in from Leadership</i>
IT POLICIES	Ineffective IT policies increase the likelihood of students and staff being drawn into extremist material and narratives online. Inappropriate internet use by students is not identified or followed up.	<p>Students can access terrorist and extremist material when accessing the internet at the institution.</p> <p>Students may distribute extremist material using the institution IT system.</p> <p>Unclear linkages between IT policy and the Prevent duty. No consideration of filtering as a means of restricting access to harmful content</p>	<ul style="list-style-type: none"> • Governors, trustees and DSL understand and take responsibility for online safety as outlined in Keeping Children Safe In Education (KCSIE). • All staff receive appropriate online safety training (including cyber awareness) as well as regular updates to equip them with relevant skills and knowledge of trends and developments. • The school has appropriate filtering and monitoring systems in place (SENSO/SECURELY) • The school's approach to online safety is reflected in the child protection and Safeguarding policy and other relevant policies including mobile, social media, smart technology and remote learning. • The school proactively engages with parents and carers to help promote online safety principles and reporting at home, including messaging, guidance and safety settings on home systems and these messages are regularly updated. • Online safety is reflected in curriculum planning in line with teaching Online Safety in Schools and other current guidance including how to share concerns. • Online safety principles are aligned with British Values and implemented in an age-appropriate way to encourage and support pupils to interact online in a respectful and tolerant way
