BEECH CLASS NEWS

Beech tutor group have had a fantastic time learning across the curriculum this term. Pupils have shown excellent reading skills and strong teamwork in all activities.

In maths, students have been confidently using measures and applying their knowledge to practical tasks.

In English, we are focusing on instructions and explanations and have enjoyed a drawing task where a student had to describe something and someone else had to draw it and compare how accurate it was. This produced mixed results but was lots of fun.

Our citizenship lessons have focused on exploring our communities and understanding how we can contribute positively to them.

In PE, pupils have been learning about healthy eating and fitness, showing great enthusiasm throughout. All students are working extremely well together and have produced some excellent work.

Some students have also been involved in supporting a boccia tournament and those that participated were a credit to the tutor group and school.

A great start to the new year Beech class- well done!

CLASS NEWS

MANGOS CLASS NEWS

Lights, Camera, Action! 🎬

This term, Mangos 🍌 are diving into the exciting world of movies 🎬 and musicals 🎵!

During our cognition sessions, we've been exploring the vibrant colours 🎨 from the movie Inside Out. Through this journey, we've discovered how colours can represent emotions. It's been a colourful adventure full of feelings, creativity, and fun! During our holistic therapy sessions, we've been having a fantastic time with our Greatest Showman 🎭

STaRS activities—some of us have even been singing along to our favorite tunes! 🎵 This term, our Sensology sessions are themed around the vibrant celebration of Chinese New Year 🇨🇳. We've been exploring a variety of traditions and customs, immersing ourselves in the rich culture and festive spirit!

MAPLE CLASS NEWS

As we head towards Christmas, we are really proud of Maple Class for their excellent behaviour. The children have been kind, focused, and ready to learn, and they have done a fantastic job.

In English, we have been enjoying poetry and looking at monologue, tone, and theme. The pupils have loved exploring how poets use words to create meaning and mood.

In Maths, we have been working on Geometry, multiplication and division, and statistics, with the children growing in confidence and tackling a range of problems.

Maple hope you have a lovely Christmas break. 🎄
