CHERRY CLASS NEWS

This term has been a great one with Cherry Class.

In Maths, we have been learning about time, focusing on o'clock, quarter past, half past, and quarter to. Cherry Class have worked really hard to develop their understanding and have enjoyed the topic so much that they have asked to continue practising during intervention time.

In English, we have been creating fact files about sea creatures, and some amazing pieces of work have been produced throughout the term.

In Creative lessons, Cherry Class have been learning about the artist Piet Mondrian and exploring how to use primary colours to mix and create new colours.

Cherry Class also took part in a Bird Feeder workshop, and I am happy to say that everyone was extremely engaged. The workshop leader was so impressed that he gave us a book at the end of the day, commenting that Cherry Class were the most engaged group throughout the day.

It has been a great term, and we are really looking forward to next term.

CLASS NEWS

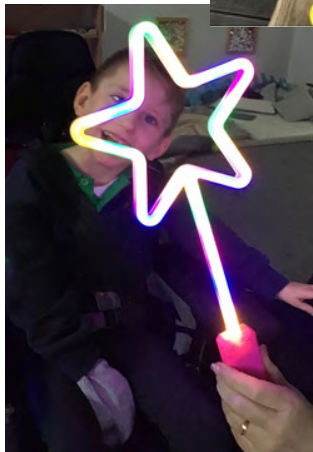

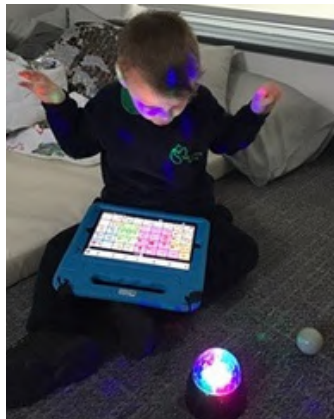

APPLES CLASS NEWS

This term, Apples Class 🍏 has been diving into the exciting world of food! We've been busy exploring a wide variety of textures, colours, and smells, using all of our senses to discover just how fun and creative food can be.

The children have enjoyed hands-on experiences such as mark making with different foods and baking. Each activity has offered new opportunities to learn, play, and express creativity.

Throughout the term, the children have produced some wonderful masterpieces and embraced every new experience with curiosity and enthusiasm. It has been a joy to see their confidence grow as they explored food in ways.

Our story this term has been – Kitchen Disco, we have had a wonderful time exploring how we can use the fruits to make special recipes and exploring how they danced, like in the story!

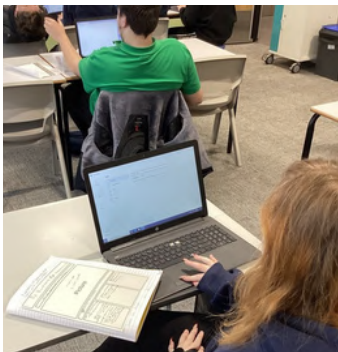

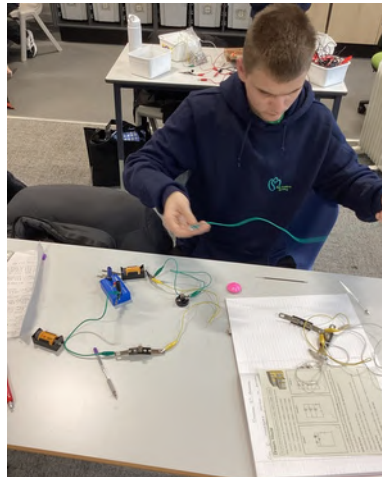

CLASS NEWS

ELDER CLASS NEWS

Elder Class have been working hard this term!

In Maths, we have been focusing on measure. We have looked at time, length, and mass, and all of the units associated with each. Pupils have worked hard on problem-solving, comparing, and ordering various measurements. We have completed many word problems, all in preparation for exams next term.

In English, we have been focusing on non-fiction text features. We have explored the various organisational features used in different texts, as well as a range of language features. Pupils have developed an in-depth understanding of texts such as emails and articles. They then had the opportunity to write their own articles about a local weather disaster, and there were some great ideas!

In PE, we have focused on communication and leadership. We have played a variety of games, and different pupils had the opportunity to lead their teams. Pupils had a lot of fun playing Danish longball, and there were some excellent teamwork skills on display.

We all had a treat on Wednesday afternoon in the last week of term. As it was Children's Mental Health Week, Elder Class enjoyed a Wellness Wednesday afternoon. Pupils enjoyed a cup of tea or hot chocolate and some biscuits while watching the Winter Olympics and playing a class game. Pupils also had a discussion about the importance of mental health.

CLASS NEWS

GRAPES CLASS NEWS

Wow! What a term we have had in Grapes. We have been enjoying some of the dry days by getting outside in the Sensory Garden and on the bikes. We can't wait for the Spring to come to see what flowers bloom. We even have plans to plant our own.

We have been having just as much fun inside. We have developed our gross motor skills in the ball pool and our fine motor skills with the puzzles.

This term, our topic has been 'At the fair'. We enjoyed trying some hotdogs and even making our own popcorn in the microwave. It was very exciting listening to the sound of it popping and even more exciting to eat it. We have also had fair themed activities such as hook a duck, coconut shy and bumper cars.

Look out for more fun posts next term as we dive into the world of magic and mystery.
