

CLASS NEWS

LIME CLASS NEWS

This week the students in Lime class have been busy presenting their PowerPoints created about their hobbies outside school. They have been enjoying our class read, Mr Stink as well as learning about how to maintain their physical health. During our intervention time they have been developing their social and conversational skills.

CLASS NEWS

APRICOTS CLASS NEWS

'Our topic in Apricots class this term is Superhero's and what heroes we are! In our story sessions, we have focused on the story of Supertato and squashing the evil peas.

Our letter focus this week has been 'S', focusing on Spider-Man, splatting and slime!

In our outdoor exploration sessions, we enjoyed spraying our superhero words and rescuing the frozen vegetables!

We can't wait for more Superhero fun!

CLASS NEWS

BEECH CLASS NEWS

Beech Class have had a fantastic few weeks! The children have shown brilliant enthusiasm, teamwork, and creativity across all our learning.

🏰 Humanities Adventures

As part of our humanities topic, we have been exploring castles. The children loved designing and creating their own castles and shields, showing great imagination and attention to detail. Their pride in their finished work has been wonderful to see!

🎲 Social Skills & Turn-Taking

We have also been focusing on developing social skills. Playing a range of board games has helped us practise turn-taking, sharing, and positive communication. The children have really enjoyed this time together and are becoming more confident in working cooperatively. We are very proud of them!

📖 During Tulip Reads, we have been doing paired reading. This has helped us build reading confidence, listening skills, and supportive partnerships. It has been lovely to see children encouraging one another and celebrating each other's progress.

Overall, Beech Class have been fantastic—engaged, hardworking, and kind. We are very proud of them!
