

CLASS NEWS

SYCAMORE CLASS NEWS

Sycamore Class has been working hard preparing for their Maths and English exams, showing great focus and determination. Students are now turning their attention to their Speaking and Listening assessments, continuing to build confidence in their communication skills.

In science we have been looking at space and students enjoyed using pastels to create a picture of the planets.

We also enjoyed celebrating World Book Day, with some fantastic costumes on display. Several students took to the stage in the talent show, organised by our very own Mr Slade, showcasing their creativity and enthusiasm.

ROWAN CLASS NEWS

It's been a busy term in Rowan class, with lots of exciting learning taking place across the curriculum.

In maths, we have been focusing on telling the time, building our confidence through a range of practical and interactive activities.

Our creative side has really shone through in stem as students sorted and explored different materials to design and build their own superhero HQs, showing fantastic imagination and problem-solving skills. We also explored communication in a fun and hands-on way by creating cup-and-string telephones, helping us understand how messages can be sent and received.

In PE, students have been developing their dance skills by exploring sequences of movement, working on coordination, rhythm and expression. Rowan class have learnt a line dance, and a dance to Kung Fu Fighting and have really enjoyed showing of their moves!

Alongside this, we thoroughly enjoyed celebrating World Book Week, taking part in activities inspired by The Colour Monster, sharing a variety of books together, and listening to special visitors who brought real-life stories to life.

Well done to everyone for their enthusiasm, creativity and hard work this term!
