MANGOS CLASS NEWS 🍅

Down in the jungle where the mangos go! What an exciting start to the term we've had!

This term, Mangos are exploring the wonderful world of animals 🐷🐘. During our sensory story sessions, we've been discovering the characters from Farmyard Hullabaloo! The children have enjoyed mark-making fluffy sheep 🐑 and exploring the ducks 🦆 splashing around in the pond. We've also been making the most of the lovely weather by heading out for walks around the sensory garden 🌱. We all loved searching for animals 🔍, listening to the birds singing 🐦, and watching the fish swim gracefully in the pond 🐟.

What a wonderful and busy start to the term for Mangos! 🌟

CLASS NEWS

CEDAR CLASS NEWS

This term in Cedar Class we have been exploring the exciting theme of Superheroes! We started by reading the much-loved story Supertato, which has inspired lots of our learning. The students have been busy describing characters, ordering the events of the story, and even practising their typing skills to bring their ideas to life.

In Maths, we have been learning all about the days of the week and will soon move on to exploring the months of the year. We have also started to look at fractions, building our understanding through fun and practical activities.

World Book Week has been a huge success! There have been plenty of opportunities to enjoy stories, take part in exciting book-themed activities, and of course dress up as our favourite characters. Cedar Class looked absolutely fantastic and showed a real love of reading.

CEDAR CLASS NEWS CONT'

During Forest School, the students have been getting hands-on with nature by prepping the ground and planting wild seeds, helping to create a beautiful space for wildlife to enjoy.

In Cookery, we have been busy in the kitchen baking some delicious oat cookies, practising our measuring and mixing skills along the way.

Finally, in PE, we have been exploring dance from around the world. So far, the students have learnt the powerful Haka and enjoyed the energetic movements of Bhangra dancing.

It has been a fantastic term so far full of creativity, teamwork and new experiences. Well done, Cedar Class!
