

CLASS NEWS

PINEAPPLES CLASS

This term our topic has been 'people who help us'. During Cognition, we explored the number 9 and the importance of knowing who to call when we need help. We have talked about different helpers in our community such as police officers, nurses and firefighters, enjoying a wonderful visit to the fire station.

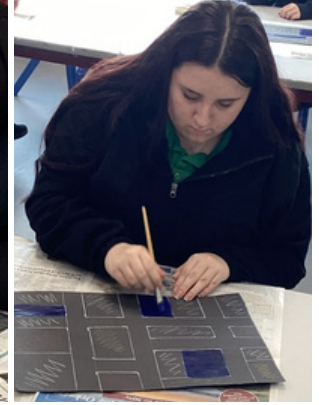

Our story theme this term has been 'Superworm' where we have spoken about how superworm helps the other animals to remain safe by helping them when they are in danger. We still have lots more exciting activities planned so stay tuned!

CLASS NEWS

WILLOW CLASS

Willow Class have had a fantastic few terms packed with creativity, discovery and fun! Pupils have explored artists and musicians in Creative even creating their own pieces both artistically and musically, we have learnt about Space through hands-on activities such as with Oreos, and discovered all about the Romans in Humanities.

They also loved meeting animals from Animal UK, developed teamwork skills during intervention games in particular Monopoly to develop turn taking and social skills, we have been learning about area in Maths and Shakespeare in English. We ended the term with a brilliant trip to the fair – a huge hit with everyone! We look forward for what's to come!
