HAZEL CLASS

Hazel class have had such a busy term! We have been putting our cricket skills into practice during PE. We have been building on our hand-eye coordination and fine motor skills during our intervention lessons, using our patience and practice to really showcase these skills.

We have taken this term as an opportunity to thank members of staff for all their hard work with thank you notes.

And lastly, we have had an introductory lesson in our new D&T workshop which we hope you use lots next academic year. We have had such a successful term and ending to a great year 😊

POST 16 ADVENTURES

🌿 Post 16 Adventures! 🌿

Our learners have been continuing their ASDAN Exploring the Natural Environment challenge! 🌍

So far, we've explored Bourne Woods and Frampton Marsh, where students enjoyed spotting wildlife, learning about habitats, and experiencing different weather and environments. 🐦 🌳

It's been fantastic to see everyone growing in confidence, teamwork, and independence while learning outside the classroom.

🌊 We're now looking forward to our next trip to the beach – more outdoor learning and new experiences ahead!

POST 16 CAR WASH

Post 16 Class News – Car Wash Business Project 🚗🧼

As part of our Post-16 careers programme this term, students in Chestnut and Spruce classes have launched their own car wash business. This exciting project is designed to give students real-life experience of working in a business, understanding responsibilities, and earning money.

Students are washing cars for school staff, who have kindly supported the project by paying for the service 🙌. This hands-on experience helps students develop teamwork 🤝, communication 🗣️, and practical job skills.

The money earned will go towards a special end-of-term day out, giving students a well-deserved reward for their effort and commitment.

We are very proud of the students' hard work and enthusiasm! 😊

CLASS NEWS

BEECH CLASS

This term in Beech class has been wonderful, and we have enjoyed a wide range of learning experiences. The children's favourite highlight was undoubtedly our trip to Wicksteed Park, which was a fantastic day full of excitement and memorable moments.

In English, we have been exploring the work of Shakespeare, focusing on modern adaptations of his plays to help bring the stories to life in an engaging way. The children have shown great enthusiasm and curiosity during this topic.

In Maths, we have been learning about symmetry. The children particularly enjoyed applying their knowledge creatively by designing and making their own symmetrical art pieces, which turned out brilliantly.

Overall, it has been a busy and enjoyable term filled with lots of learning and fun!

APRICOTS CLASS

🍑 Apricots Class News 🍑

Apricots have had a fantastic start to Term 6, exploring our Holidays topic!

We've enjoyed a trip to the beach through sensory stories, messy sand play, and ice cream counting activities. We then headed to Apricots Festival, where we played in our own band, made instruments, dressed up, danced, and created a cosy indoor campsite complete with a campfire and marshmallow bonfire art. It was a huge hit! 🎵🎶

The warm weather has also brought lots of water play and indoor activities to help us stay cool. ☀️💧
Next week, we're looking forward to our next adventure—a skiing holiday! 🏂❄️
