SYCAMORE CLASS

It has been another busy and productive term in Sycamore class, with students working hard across a range of subjects and developing valuable knowledge and life skills.

In Cookery, students have been getting hands-on in the kitchen, learning how to prepare and make delicious pizzas and cottage pie. They have been building their confidence, practising practical skills and developing a better understanding of food preparation.

During Personal Development, students have been learning about first aid and CPR, exploring important skills that could help them respond confidently in an emergency. In RE, they have been discussing values and stereotypes, sharing ideas and developing their understanding of different perspectives.

Throughout the term, students have shown commitment and determination in their learning. They are now beginning to prepare for their first examinations in the core subjects of English and Maths.

Well done to all our students for their hard work and effort this term. We look forward to seeing them continue to grow in confidence, develop their skills and achieve their best!

CLASS NEWS

PINEAPPLES CLASS

Outdoor learning continues to be a firm favourite for Pineapples class. We have enjoyed our Community walks on a Monday afternoon with regular visits to the shops to purchase items for our sensory story (lots of marmalade for Paddington bear)/

Forest schools on a Tuesday has been amazing with all students becoming more independent with there exploration skills as well as becoming more interested in the animals.

This term our Eco Warriors has consisted of litter picking and finding ways that we can conserve energy, turn off those switches guys!
