ELDER CLASS

Pupils have made a great start to the year in Elder and have enjoyed getting to know one another. They have set a high standard this term, producing excellent work across all subjects.

In English, pupils have focused on functional communication and everyday reading, including understanding signs and notices and recognising the difference between fact and opinion. They have worked hard and produced some fantastic work.

In PE, we have been learning about invasion games through a variety of fun activities. In Sport, pupils have explored the components of fitness and the tests used to measure them, with the flexibility and reaction time tests proving particularly popular.

We are proud to celebrate that an Elder pupil received the first Headteacher's Award under our new VALUED points system. Pupils have demonstrated a strong understanding of voice, aspiration, learning, understanding, engagement and dignity.

Workplace visits have also returned this year, with Year 10 pupils spending Fridays at Springfields Gardens. They are gaining valuable experience in the local community while developing transferable skills. Pupils have thoroughly enjoyed the visits so far, especially when the weather has been kind!

OAK CLASS

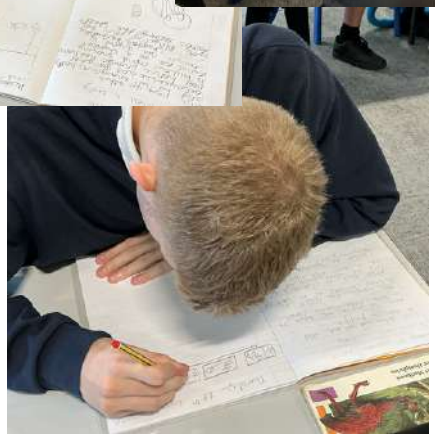

Oak Class have had a fantastic start to the academic year. In Maths we have been focusing on position and direction, planning our own routes in real life scenarios using positional language.

In English we have been reading Snowy the Sheepdog, pupils have really enjoyed this story, (especially Miss Wagner's goat voice!) creating their own stories using adjectives and creativity in their writing. Students have progressed to write their own stories and have shown huge progress!

Pupils have also attended swimming this term, showing resilience in trying new techniques in the pool.

Well done Oak class, what an amazing start to this year!

GRAPES CLASS

🍇 Grapes Class News 🍇

It has been a magical start to the year in Grapes Class with our topic, Magical Stories 🪄. We have certainly kept busy!

In our Discover sessions, pupils became wizards and witches 🧙, creating tasty treats in Early Cooking and carrying out exciting experiments in Early Explorers, including bubbling cauldrons 🫧 and colourful rainbows 🌈.

We have loved spending time outdoors during Nature sessions 🌱, making fairy potions, painting toadstools 🧚, and foraging for autumn treasures 🍁. In Holistic sessions, we have enjoyed relaxing adventures to enchanted forests 🌺 while practising communication and exploring different sensory experiences 😊.

Of course, there has been plenty of messy magic too! From foam and spaghetti to jelly, water potions and lots of glitter ✨, pupils have fully engaged their senses through play and learning.

It has been a fantastic start to the year, and we are already excited for our next adventure as we travel to the Moon and Beyond! 🚀

HAZEL CLASS

Hazel Class have had such a busy, fun-filled term!

In ICT, we have been learning all about Australia and enjoyed creating our own Australian fact files. In Maths, we have been learning how to use number lines and building our confidence with this new skill.

In PE, we have been practising our hockey skills and have loved finishing our lessons with a game of basketball! 🏀

Forest School continues to be a firm favourite. We have been planting and watering seeds, as well as exploring how nature changes as summer turns to autumn. 🍂

In D&T, we have been learning how to stay safe in the workshop while enjoying lots of practical activities. We have made keyrings using the laser cutter, created our own badges with the badge press, and developed our sawing, sanding and construction skills while making wooden pen pots.

What a fantastic term of learning, creativity and trying new things. Well done, Hazel Class! 😀
