MANGOS CLASS

Mangos class news! 🍌

Once upon a time, our classroom was filled with magic, adventure, and fantastic traditional tales! 📖✨

During our sensory story session, we joined the Three Little Pigs 🐷 in building their houses and escaping from the huffing, puffing Big Bad Wolf! 🐺

Mangos have loved getting messy during our messy play session, especially helping the farming pull the Enormous Turnip 🍷 from the mud!

During our Sensations session, we have been celebrating 🎉 the festival of Navratri. We have enjoyed exploring the vibrant colours and beautiful flowers 🌸 Everyone had a wonderful time engaging with the different sights, textures, and scents while sharing in the festive spirit. ✨🌈🎨

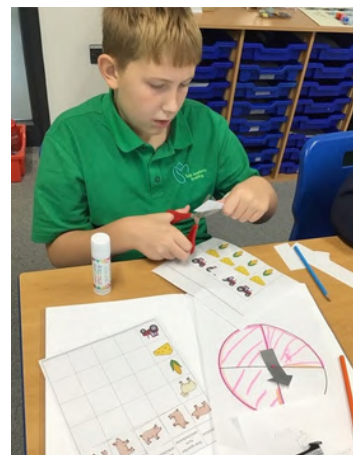

CLASS NEWS

CHERRY CLASS

As a new class at Tulip Academy, we have had a wonderful start! The children have settled in well and are already forming lovely friendships.

In English, we have been reading *What the Ladybird Heard*. We used adjectives to describe the characters and created story mountains to retell Lanky Len and Hefty Hugh's sneaky plan to steal the fine prize cow.

In Maths, we have been exploring place value using part-whole models and number lines. We have also practised estimating where numbers belong on a number line.

In Life Skills, we learnt how to stay safe in the kitchen and practised our knife skills. We put these skills to use when making bread, simple pizzas and potato wedges.

In PSHE, we talked about how to behave in a restaurant and practised ordering and serving food through role play. Our potato wedges that we had prepared gave us something delicious to serve!

In STEM, we learnt about germination and what plants need to grow. We planted broad beans, and some are already germinated and are growing super fast! In PE, we have been developing our hockey skills, focusing on safe play, passing and controlling the ball. In Humanities, we have been exploring hobbies and activities we could try in and around Spalding.

It has been lovely to see the class trying new things and growing in confidence. We are looking forward to what the rest of the term brings!

CLASS NEWS

WILLOW CLASS

Willow Class has had a fantastic and very busy start to the new year! We have been enjoying our learning in English, where we have been focusing on character descriptions, fronted adverbials, and conjunctions. We are also challenging ourselves in maths and expanding our knowledge.

In Personal Development this term, we have been learning important First Aid skills, including CPR, the recovery position, and what to do in an emergency. The students have shown great enthusiasm and maturity while taking part in these practical lessons.

In Forest School, Willow Class has been exploring the environment and the world around them. We have been investigating different materials, learning about insects, and developing our understanding of the natural world.

One of the most popular activities this term has been spending time in the pet area. The students have especially loved meeting and holding the new rabbits.

We have also been creative by designing our own graffiti artwork and taking part in cookery sessions, this week we made egg bread/French toast.

Well done, Willow Class, for such a positive and successful start to the year! 😊
