PEARS CLASS

It has been a busy and exciting start to the term in Pears Class. The children have engaged well in our special topic lessons, which have included learning about fireworks, Remembrance Day and National Poetry Day. All of the children have returned to school brilliantly and have settled back into routines exceptionally well. We are very proud of the positive attitude, enthusiasm and engagement they have shown in their learning so far this term. Well done Pears, keep up the good work.

ROWAN CLASS

Rowan Class has had a fantastic Autumn Term and has been busy with lots of exciting learning experiences. In Maths, the children have been developing their understanding of place value and have been working hard to complete addition and subtraction using the column method. We have been very impressed with their resilience and determination when tackling new challenges.

In English, the children enjoyed reading a book about farm animals and used it as inspiration to create their own spooky farm stories. They showed great imagination and produced some excellent pieces of writing. This term, our focus is on poems and songs, where the children will be exploring and responding to a range of familiar texts.

To end the term, the children designed and carved their own pumpkins, which was a wonderful opportunity for them to be creative and showcase their ideas.

We are now looking forward to a very exciting term✨
