## PLUMS CLASS

Welcome to Term Two and what a busy start it's been!

Plums class have dived into a whole range of activities already including Remembrance Day, Poetry Day and Children in Need.

We had the privilege of joining with other members of our Spalding community as we gathered at the War Memorial in Ayscoughfee Park. Our pupils were fantastic as they showed respect in marking the two-minute silence and kept very quiet.

There was lots of learning and engagement on Poetry Day where we learnt and participated in a poem called "Oh Dear" by Michael Rosen. We used props and resources to support our learning and explored different activities related to the poem and rhyming words.

Finally, Plums were hugely enthusiastic when performing their sponsored "Danceathon".

Dancing with disco lights, scarves and props to their favourite Danny Go tunes.

Many thanks for the generous donations received for a very worthy cause.

## CEDAR CLASS

Cedar Class have had a fantastic first week back, we have been doing lots of cooking and we even had Children In Need day where we took part in a Yoga-Thon to raise money! We also paid our respects on Remembrance Day by taking part in the 2 minute silence as well lots of creative activities. This term is also our turn to go swimming which has been a huge success! Cedar Class have also really enjoyed building (and knocking down) domino trails! We are so excited to see what the Christmas Term has is store for us!
